## **The Dr. David Stark Mature Student Award**

It is with immense pleasure that the WCVM introduces a new annual award: **The Dr. David Stark Mature Student Award**. This award is valued at \$2500 and recognizes an entering student in the Doctor of Veterinary Medicine degree program who has made the decision to change careers to veterinary medicine.

Dr. Stark, a Saskatoon endodontist, has had a close affiliation with the Western College of Veterinary Medicine since 1990. He has taught one to two week seminars for senior veterinary students who have a special interest in veterinary dentistry. Dr. Stark has even been called upon to do root canal therapy on our four legged friends. Dr. Stark continues as an adjunct member of faculty at the WCVM.

We are very grateful for his generosity in creating this new award.
